## **DO YOU OFFER DISCOUNTS AND PARTNERSHIPS?**

We can offer regular deliveries and office partnerships with discounted pricing and perks. Current promotions include:

1 x free lunch for the office manager booking in a corporate lunch (for orders over 20 people). Simply add the code OFFICEMANAGER to your order online and state which lunch box you would like in the Order Notes (must be a lunch already on your order).

10% off if you set up a weekly delivery for 4 consecutive weeks. Please confirm what dates you would like lunch on by email and we will generate a unique code for you to use online.

Ask a new company to use the code BROWNIES online and state your name and business in the Order Notes and we will provide you both with a free tray of brownies and a 10% off code with your next order.

## **HOW DO YOU HELP COLLECT ORDERS?**

Collecting orders can be a faff! We can either send a split of options (usually three – one meat, one fish and one veg) or we can create a form online for your office to fill in. We can then use this form to finalise numbers and orders so all you have to do is send around the link and enjoy your lunch box.

Not a problem. We can cater for requests, just email us with your preferences and budget and we can put together some options for you.

## **I WANT LUNCH BXD TO POP UP AT MY EVENT!**

Fab, we can provide branding and smiling staff with your delivery to help hand out mini pots or lunch boxes. Past pop ups include Virgin, Ticketmaster, Jack Wills and Welltodo.
